Communicant Candidates: Anyone considering becoming a communicant member of our church family is encouraged to take a copy of the booklet 'Introducing the Lord's Supper' from the porch. This booklet will help you explore if you are ready to make the personal profession of faith in Jesus that communicant membership requires. This church year the dates and topics for the communicant classes are:-

Sunday 20 January: *What is a Christian?*
Sunday 3 March: *What is the Church?*
Sunday 17 March: *What is Communion?*

All classes are from **4.00 - 5.00 pm** at the Manse. The classes are for people of all ages. However, the youngest we encourage are those going into Year 12 and who have completed their first year in Bible class. Alongside attending the classes, candidates are expected to attend church regularly – a normal commitment which we should see in the lives of all who are genuine and serious about being a disciple of Jesus. An attendance roll will be kept from the Sunday following the first class. Speak to Norman if you hope to come to these classes (8075 7362).

AED TRAINING:

We are delighted to report that we have received a DARD micro grant for the purchase of an AED device which will be installed in the kitchen of the Church Hall. Thanks to the team William Hetherington, Diane Clarke, Andrew Crawford and John Anderson who completed the application. Training for everyone who would like to know how to use the life-saving device is planned for **Tuesday night 29 January at 7:00 pm** in the Church Hall. It would be advisable to have representatives from all organisations that use the premises present along with members of the general congregation. The more who know how to use it, the safer we all will be!

Sixmilecross Ladies' monthly prayer meeting takes place on **Thursday 31 January at 8:00 pm**. This month it is being held in the Manse. All ladies welcome!

Dates further into the future can be found on the calendar on the church website at www.sixmilecrosspc.org
