

NOVEMBER 2020

PRAYER POINTS

They tell of the glory of your kingdom and speak of your might, so that all people may know of your mighty acts and the glorious splendour of your kingdom.

Psalm 43:11-12

PRAY FOR SCHOOLS & SCHOOLS' MINISTRY

Opportunities - Praise God for the **opportunities** that I have had in schools since the beginning of the new term. Online assemblies have been very well received and it has been lovely to receive feedback from principals, teachers and pupils. Even though things are very different, God's Good News is still reaching children and young people and that is **something to celebrate!**

SU Groups - SU groups have always been a place of **fellowship** for pupils in schools and, unfortunately, they cannot run as normal in schools at the minute. Please pray for **wisdom** for myself and **local teachers** as we try to bring together & support our Christian pupils, and those who are hungry to hear about God.

School Communities - Please pray for **protection** for teachers, pupils and school staff as they continue to meet physically in school buildings. Pray that they would feel **safe** and **supported** as they try to make school as "normal" as possible.

PRAY FOR THE MONTH AHEAD

Resource Writing - We are continuing to **develop resources** which can be used by teachers. We are also planning some special content for Christmas. Please pray for continued creativity and guidance as we seek to do this well.

Prayer Spaces In Schools - The SUNI Schools' Team attended the "New Hope" online conference in October. During this, I attended a seminar by "**Prayer Spaces in Schools**" where there were lots of great ideas shared on how we can incorporate prayer spaces in a Covid world. Please pray for myself and for local churches as we think about the potential of incorporating these ideas into our **local schools**.

PRAY FOR CHURCHES

Please pray for protection on our churches during this time. Pray that the churches who have opened their doors would be able to keep their doors open and pray also for the churches still meeting online. Pray that they would feel a sense of community, even through they are not physically together.
