# PRAYER POINTS

*Sing to the Lord a new song; sing to the Lord, all the earth. Sing to the Lord, praise his name; proclaim his salvation day after day. Declare his glory among the nations, his marvellous deeds among all peoples..*

**Psalm 96:1-3**

## PRAY FOR SCHOOLS & SCHOOLS' MINISTRY

**New School Term** - Please pray for pupils and teachers as they settle into the new school term. Pray that they would feel refreshed and energised after the Christmas break. This academic year has been different than any other so pray that as we continue to journey through the Covid-19 pandemic schools would be safe places for our pupils to learn.

**AQE & GL Assessments** - This month, many p7 pupils will be taking their AQE & GL assessments. As with most events in the past year, the schedule and format of these tests looks a little different than other years. Pray that the tests would not feel stressful and that the pupils would feel a sense of calm as they enter unknown schools to complete these tests.

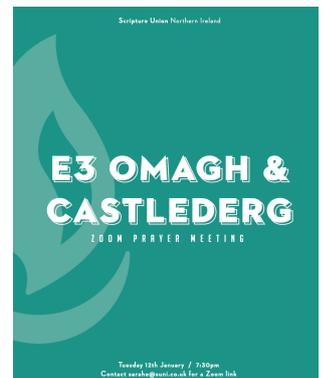

**Online Content** - We hope and pray that our normal schools visits will resume soon, but until that happens, we will continue to produce online content for schools. Please pray for continued creativity as I write assemblies alongside other resources. Pray that these resources would continue to bring God's Good News to school communities!

**School Connections** - Praise God that during a time where I have not been able to physically visit schools, new connections have been made. Please pray that my relationships with schools would continue to develop as we enter into the 3rd year of E3 Omagh & Castledearg.
