PRAY FOR SCHOOLS & SCHOOLS' MINISTRY

Pupils Facing Isolation - Please pray for our school pupils and staff as they continue to face disruption caused by COVID -19. Pray that pupils having to **isolate** from family and friends due to positive and close contact cases would feel **God's presence** near to them. Pray also for teachers as they balance teaching pupils in school & pupils isolating at home.

Assessments - Pray for teachers who are facing the demanding task of **collating results** for **GCSE & A - Level** grades. Pray also that young people would have the **confidence** that, despite exams not going ahead, they will receive a grade that reflects their ability.

SUNI Resources - Pray for the SUNI Schools' team as we continue to create online resources for primary, post - primary and SEN schools. Pray for continued **creativity** and **opportunities**. Pray that as **restrictions ease** we might be able to visit some schools for face to face assemblies and RE lessons in the summer months.

PRAY FOR SUNI

Applications for the SUNI internship close on Monday 4th May. The internship is for those who have a **heart** for children and young people, want to **get better at handling God's Word** and have a **desire to grow** in their love and knowledge of Jesus! Please pray that God would lead passionate young Christians to apply for the internship and please pray for the interviews which will take place on the 18th May.
